KV SOLUTIONS

PROPOSAL FOR LINE 5 CONDOS

Elevated Amenities at 117 & 127 Broadway Ave

KV Solutions introduces a health-centric vending experience designed specifically for Line 5 Condos. A **fully managed amenity upgrade** at zero cost to the building — we handle everything.

$0	100%	24/7
COST TO BUILDING	MANAGED BY KV	RESIDENT ACCESS

KV Solutions Philosophy

We aren't just another vending operator. We are amenity partners. We understand that **Line 5 Condos** residents value convenience, but not at the expense of their health.

- ✔ Healthier options first — less sugar, more nutrition.
- ✔ Premium, sleek hardware that matches modern decor.
- ✔ Zero cost, zero management for the board.

✔ Full commercial liability insurance — zero risk to the board.

KV SOLUTIONS

Our Healthy Standard

At KV Solutions, we believe vending should complement the lifestyle of the residents. We focus on "Green" options that prioritize organic ingredients, natural sweeteners, and high nutritional value.

STOCKING
Weekly Refresh

TECH
Contactless Pay

Space-Specific Curation

KV Solutions tailors inventory to the specific behavior of residents in different zones of 117 & 127 Broadway Ave.

🏃 **Fitness Center**

💻 Co-working Lounge

Why This Works for Your Building

KV Solutions provides a premium amenity that enhances the resident experience at Line 5 Condos — at absolutely no cost to the condominium corporation. We handle everything from equipment to stocking to maintenance.

$0

Zero Capital Investment

No equipment purchase, no installation fees, no ongoing costs. KV Solutions owns and operates all hardware.

Premium Resident Experience

Residents get 24/7 access to curated, healthy food and drinks in their building — a tangible amenity upgrade that adds real value to daily life.

0h

Zero Staff Time

No management burden on property staff. KV Solutions handles stocking, cleaning, maintenance, and resident feedback — all of it.

Operations & Equipment

Full-service vending with no burden on your team. Here's exactly what goes into the building.

Machine Size
